The above is a concise Statement of two Settlements made with with Ira Allen Esqr. as Treasurer and Surveyor General

In the settlement with Mr. Allen as Treasurer on the 25th Apr.l 1787 the Auditors report a Ballance due him in Continental Mon.y of ---------- 6,911-6-5
and also a Ballance due him in good and Lawful Money of ---------- £487-2-1

On the 6th Feb.y 1790 the Commiss.rs appointed to adjust Mr. Allens accounts as Surveyor Gen.l Report the amounts allowed by them to Mr. Allen for his Services & expences attending the Department £5395.16.6
and that Mr. Allen had actually Rec.d out of the Treasury towards that amount £4,603-18-10½ which left a Ballance due him of £791.17.8 for which he received an Order on the Treasurer, the whole of said Order is paid except the Sum of

32-10-6

In the Previous to Mr. Allens settlement with the Auditors as Treasurer, I find that he obtained, to Wit, on the 8th of Oct.r 1786 and 13th Jan.y 1787 (including his amounts as Surveyor Gen.l) the Allowance of Sundry Accounts from the Committee of Pay - for Services rendered this State - Money expended &c. &c from 8th July 1777 to 2d Oct.r 1786 to the Amount of £3,704-0-0 Continental Money and in good & Lawful Money of this State the Sum of £8,741-11-11 and the said Sums were transfered to Mr. Allens Credit in the Settlement with him as Treasurer - One of the Amounts so allowed contains an charge Agt. this State of an unknown Quantity of Powder of the Value of £1,046-11-7 purchased by the Sale of the Lands of this State - no credit appears to have been given by him on settlement, to this State for Lands so sold - which credit had it been given would have turned a Ballance in favr of this State of £559.9.-0 instead of a Ballance due Mr. Allen of £487-2-1 as brought forward by him & charged in his new Acct.s

Upon the whole I conceive stated to be due Mr. [illegible] of £6-911-6-5 (on his new Acct.s for the £207.11.11 - I can find no check against it neither can I obtain any rule by which the value of his money can be ascertained - as the general Acts and no particular amount whatever contains the time in which this money was advanced by him -

	£	5,395	16 6½				

The above is a concise Statement of two Settlements made with with Ira Allen Esq.r as Treasurer and Surveyor General

In the settlement with Mr. Allen as Treasurer on the 25th Apr.l 1787 the auditors report a Ballance due him in Continental Mo.y of ---------- 6,911-6-5
and also a Ballance due him in good and Lawful Money of ---------- £487-2-1

On the 6th Feb.y 1790 the Commiss.rs appointed to adjust Mr. Allens accounts as Surveyor Gen.l Report the Accounts allowed by them to Mr. Allen for his Services & expences attending the Department £5395-16-6½ and that Mr. Allen had actually Rec.d out of the Treasury towards that amount £4,603-18-10½ which left a Ballance due him of £791-17-8 for which he received an Order on the Treasurer, the whole of said Order is paid except the Sum of ---------- 32-10-6

In the previous to Mr. Allens settlement with the auditors as Treasurer I find that he obtained, to Wit, on the 1st of Oct.r 1786 and 23d Jan.y 1787 (including his Accounts as Surveyor Gen.l) the allowance of Sundry Accounts from the Committee of Pay — for Services rendered this State — Money expended &c. &c from 8th July 1777 to 2d Oct.r 1786 to the Amount of £3,704-4-0 Continental Money and in good & Lawful Money of this State the Sum of £8,741-11-11 £ [illegible]
and the said Sums were transfered to Mr. Allens Credit in the Settlement with him as Treasurer — One of the Accounts so allowed contains an £ s d
charge agt. this State of an unknown Quantity of Powder of the Value of £1,046-11-7
purchased by the Sale of the Lands of this State — no credit appears to have been given by him on Settlement, to this State for Lands so sold — which credit had it been given would have turned a Ballance in favor of this State of £559-9-0 instead of a Ballance due Mr. Allen of £487-2-1 as brought forward by him & charged in his new Acct.

Upon the same stated to be due Mr. Allen £6,911-6-5
in Cont.l Mo.y the
(in his new Account) to be £207-11-11 — I can find no check against it neither can I obtain any rule by which the value of this money can be ascertained — as the general Acct and no particular Amount whatever ascertains the time on which this money was advanced by him —

In examining the Treasurers Books delivered over by Mr. Allen to the new Treasurer, which contain the Entry of the Taxes due from the several Towns — I find Mr. Allen received of the Town of Halifax £48-13-9 of Reading £18-4-7 of Woodstock £5-18-6 making, in the whole ---------- 72-16-9
which Sum he ought to have credited this State in his Settlement at the time of his receiving s.d Sum ----------

I also find Mr. Allen to be indebted to this State by Note dated 26th Oct.r 1788 payable in hard Money to the Amt. of ---------- £326-7-2
The whole of which several Sums amount to ---------- £1446-5-10
which ought to be improved by this State, against any equitable demand he may [illegible] forward in his new Acct. — Which is submitted to the Hon.r the Gen.l Assembly by
